

Hands on History Registration

~ 2021 ~

Brown County Historical Society

This year's Hands on History will feature two programs, October 21, 2021 and November 11, 2021. The program will be on Thursday afternoon, from 1-4 pm. We are excited to have children ages 10-14 participate and are looking forward to exploring some fabulous historic adventures. October 21st's program is "You are Here". This session will take a look at some of the historic sites and events in Indiana History and we will meet some of the noteworthy Hoosiers and fictional characters created by Indiana authors. The program on November 11th is "Westward Ho" and we will take a look at what would be packed as a family moved to a new home and the children will use simple looms to create a textile.

Early registration is encouraged as we are limiting the enrollment to 10 children per session. Children will be responsible for providing their own snack and sadly no cooking will be done this year.

Please fill out and send the signed form to: Kathy Sparks, 5365 Tailhook Lane, Unionville, IN 47468. Asterisk items are required fields. For additional information, call 812-988-2377.
